

# RE-DEVELOPMENT OF SCHOOL PLAYGROUND

GROVE PRIMARY SCHOOL, HANDSWORTH

## CHALLENGE

CS2 were employed to undertake both pre and post contract services in relation to the re-development of a school playground. CS2 were responsible for the production of tender documentation on a design and build basis, analysing tender submissions and assisting in contractor selection. CS2 were also appointed to undertake extensive post contract services including monitoring of progress and costs in relation to valuations, variations and the successful negotiation of an acceptable final account value. CS2 have been retained by the school to undertake further projects on their behalf.

## SERVICES PROVIDED

Cost Management

## POSITIVE OUTCOMES

- Obtain planning consents
- Produced tender documentation and assisted in contractor selection
- Undertook post contract cost control and final account negotiations
