

REFURBISHMENT OF STUDENT ACCOMODATION

LIVERPOOL

CHALLENGE

Student Cribs purchased 5 Victorian residential properties that required extensive refurbishment works. CS2's strength and skill within the student accommodation sector was crucial to produce refurbishment solutions within the tight programme. CS2 delivered the scheme from start to finish including an initial Building Inspection report, designing and tendering works, analysing tenders and managing project works to completion. Student Cribs was impressed with the finished development and have instructed CS2 on numerous further developments. Project value of £439,000.
